FALL 2020

Unstoppable

NoLimit Worship

Meetings held at WPA - Grades 6-12

Evenings where students can come together in one space to meet with God through song, creativity, prayer ministry, and teaching.

NoLimit Groups

Meetings held at WPA - Grades 6-12

Evenings where students can discuss their faith in smaller groups and connect the dots between faith & real life.

Groups are currently divided as follows:

Group 1 ~ Grade 6-8 Girls | Group 2 ~ Grade 6-8 Boys | Group 3 ~ Grade 9-12 Girls | Group 4 ~ Grade 9-12 Boys

Circled Events & Socials

Separate information Provided

There are several moments over the year (marked with a circle) designed to free students of the stresses they carry. Some are purely social and fun while others are moments that allow encounter with the living presence of Jesus.

Leadership

Meetings held on Zoom - Grades 8-12

A core desire we have is to raise up students who LEAD! Anyone in grade 8-12 with a desire to seek God and lead others have the opportunity to be part of a team that helps lead everything we do over the school year.

Online Alternative

Grades 6-12

We understand that life, preference, and comfort levels are different for every student and family. There are two ways you can stay in community with us even if you can't be in the building on a Friday night!

Friday Recap

Mondays 6-7pm

Online connection for those who missed the Friday prior.

Sunday Youth Content

Posted Sundays before 10am

Watch our Sunday Morning Service via Live Stream and connect with other students following along.

FALL 2020

UNSTOPPABLE

2020 has been quite a year and many people I talk to simply want to forget it ever happened. But this would be a huge mistake because God has been faithfully at work in the midst of what we've endured this year. This fall, whether we are together in person, online, socially distant or finally allowed to high-five, there is one thing that will not change; the unstoppable power of the Holy Spirit. As we enter the fall, I want our students to understand that on our own we are wildly inadequate, but when we allow God through His Holy Spirit to lead us we can overcome anything this world throws at us and become unstoppable! God is unstoppable. His church is unstoppable.

Here are a few things to expect this Fall:

- 1. Safety for in-person and online meetings.** Our church has been hard at work over the last 3 months refining procedures and learning the new safety protocols our government continues to implement. At the same time, online platforms have become far more secure than ever before. Know that whether we gather in-person or online safety will always be our highest priority.
- 2. Wait! I thought the plan was...** You might catch yourself saying this from time to time as the future is still fairly uncertain with what we can and cannot do. Please be prepared that our plans could change, events may be adjusted or cancelled, protocols may be altered due to circumstances beyond our control.
- 3. Clear & Timely Communication.** Take comfort in knowing that to the very best of my ability, I will provide clear communication with as much notice as possible for any adjustments that may happen in our programming and events. *You can help me in this effort in two ways:* one, subscribe to our emails or follow our instagram and two, contact me if you have any questions or concerns. I am happy to connect.
- 4. A New Way of Doing Things.** How our youth ministry used to run is not how it will run moving forward. Some of these changes you might welcome while others might be harder to cope with. Restarting our youth ministry is going to require all of us to help, encourage, and be gracious to one another. Our calling and experience with God is not dependant on any single event or program but on our invitation of His presence in whatever we're doing.

God continues to prove himself faithful. God is moving in our students' lives, He is raising up leaders, and He is continuing to draw friends together. Thank you for your continued prayers, support, and understanding!
