## CLEANING

WPA continues to hold a higher standard of cleaning & distancing protocols than is suggested by our regional health unit. Our Friday leadership team strives to hit this standard every week we meet with added cleaning before the program, door screening, social distancing, and mandatory masking. Safety is everyone's responsibility so help us stay safe by doing your part to make our program the best it can be. Wear your mask, stay socially distant, sanitize, stay home if you aren't feeling well or have been in close contact with an exposed person, and help remind others to do the same.
