More than Fridays

Can't Do Fridays?

We have a system of care for teens who cannot regularly attend our Friday program due to extra-curriculars but want to stay connected.

Student Leadership

Our program is about seeing students LEAD their peers. We foster meaningful and transformative experiences to help students grow in their leadership and faith throughout the year.

LEARN ministry calling

Students will be given unique opportunities throughout the year to learn from our pastoral team.

GROW Personal Character

Students will be assigned daily devotions to complete throughout the month.

DEVELOP Church Leadership Skills

Students will have unique opportunities to lead including preaching, event planning, and outreach.

This commitment isn't for every student, and that's ok, but it is open for any student in **GRADE 6-12** to try!

VISIT NLYM.ORG FOR DETAILS & SIGN UP

Book Time with a Pastor!

Just because Pastor Andrew won't be around this fall, doesn't mean you are without a pastor! We encourage you to reach out to one of our other pastors if you want to talk or have questions about anything!
